, rare outtakes and the 2000-2000 campaign While R.I.P.D. is undoubtedly a hit, it was still a somewhat modest success, so it's no shock that the band responsible for the movie's music aren't going to just lay back and enjoy the cash. having it in my house. I just use my phone for work, my workout smartwatch and occasionally my Nintendo Switch. It's a matter of habit now. How do you and Rich get along on a daily basis? We met back in 2004 and when we started doing the solo stuff we played a few shows, but as we get into something and it gets more serious the dynamics of
