interference in the 2016 election and whether his campaign aides were involved. Pence offered little information and few details regarding the investigation, other than to say, “All I can tell you is that the president has not prevented the investigation,” said Richard Pollack, the foundation’s general counsel and a former Justice Department official who assisted with the government’s Waco siege investigation. But that could signal that Trump has given Attorney General Jeff Sessions (R-Ala.) an opening to release the information, Pollack said. “A possibility has been floated out there by the White House, and the attorney general seems to be giving the FBI some support, or at least an opening, to pursue the investigation,” Pollack said. The White House has signaled for months that it wants the FBI to publish as much as possible to help counter the influence of Russian officials and others in Moscow who’ve been charged with hacking into U.S. political organizations and releasing embarrassing information, which special counsel Robert Mueller has said resulted in Russian
