

League of Maidens® Haydee Edition is a Casual-Action-RPG set in a medieval fantasy world. Fight with your band of luchadores against opponents of incredible power. Attack your opponents with lightning fast sword combos. Use a variety of different weapons to defeat your foes. Fight for glory and for the sake of your city - it is time to rise up against injustice. Avenge your slain loved ones and take back your honour. You are Haydee, a legendary duelist and servant of the Maidens. On the night of your wedding day, you are captured by the wicked Sylphs, magical creatures that feed on your emotions. Trapped in this world, you must learn to fight, take control of your freedom, and save those who are dear to you. Fight for victory through countless skill challenges, gripping boss battles and hard-to-reach dungeons. With every step you take, the path to your freedom and redemption becomes clearer. A story that you can shape your very own adventure with in the main campaign plus many optional additional side quests. Fight in a unique world that is crowded with over 15 different characters, 32 well-crafted dungeons, and endless story chapters. Join up to 30 friends in real-time co-op to enjoy the League of Maidens together in multi-player battles. Or easily play the game without the stress of other players. Learn how to use Haydee's sword fighting system and discover the multitude of ways you can create your own awesome fighting combos. Luchadores: Haydee's Dog Soldiers Haydee lives in the forest, surrounded by some of the deadliest and craziest creatures of the forest. Her home is a little bit like a community. Besides Haydee, there are other luchadores in the forest. Haydee's friends are the type of characters that you like to be with, but you wouldn't want to actually fight them. These are also the friends that are strong enough to help you get out of tough spots in the game. If you're a Haydee look-alike luchador, join Haydee's army and help take on real opponents of your own. The mighty and ferocious, hyaena-like dog soldiers or the poisonous spiders are just two examples of the danger you can be in. Fight Your Way to Victory Haydee's skills are a diverse combination of the stronger arts from all over the world. The skills are divided into four categories

Each answer in the 1980's Trivia is displayed in the game and scored, with the more difficult answers awarded higher scores. The answer to the question, "Who is not on the New Kids on the Block's 1989 world tour and appeared with them in the video for, 'We're All Kids Now'," is:"Bill Evans", The Answer is Bill Evans and if that is correct, then you will score 10 points. The Game also contains 1990's Trivia. Play game mode and answers will appear below the game play. You can also answer all questions on the Single Player mode before starting a game or save your answers until the game is over. The game is a simulation of a professional golf swing. You will be able to swing the club, and complete swings, to score points. You may also use a putter and/or grass or sand to help you swing the club. You must try to have a natural swing that will allow you to hit balls to score the most points. Modes: Single Player: The goal is to have the lowest score. Arcade: Play a regular game, with the goal of finishing as high as you can in the allotted time. Double Shot: Play two games in a row and try to finish as high as you can. Beep Beep: The goal is to finish at the highest score. Quick: The goal is to finish as quickly as you can. Average: Play for 3 - 5 minutes, or until you have finished. Trivia: The game will have questions about the 1980's and 1990's. You may pick your favorite questions and play for points. There is a game player mode that you can use in-game to play without using the keyboard. It has a few keys that are assigned to actions in the game. Please refer to the section on Keyboard Controls for the correct combination of buttons to use. You can also use "Space" or "Enter" to navigate the menus. Game Functions: Time: Allows you to adjust the time limit for the game, as well as the time left on the clock. Level: Allows you to choose from 3 different levels of difficulty. Easy, Normal, and Hard. Game Settings: Allows you to select from a variety of settings. These include different settings for scores, PGA and Single Player. Score Settings
