In Poly Puzzle: Cats you can create a picture by moving the tiny puzzle pieces and draw in the free shape by sliding the pieces. Instructions:- Choose a puzzle piece- Tap and drag to move a piece- When done tapping drag the piece again to draw a line. Beautiful Polygonal Art Each level in Poly Puzzle: Cats starts with you looking at a blueprint which you will follow. Instead of a plain white screen, your picture is displayed in beautiful polygonal art. Relax Music Poly Puzzle: Cats uses the same relaxing music as the Sesame Street TV Show. Some background. I love this cartoon when i was a child and my daughter love it as well. Some facts about the game: - A fun puzzle game with relaxing music - 50 levels - Each level is a blueprint with polygonal art - You can create pictures using the puzzle pieces and draw the picture you made with the polygonal art - Each level has a skull with a number - gamedrop.com/apps/id/1058 - There are 10 skulls so far. I will improve this game and add new levels if the user wants them. Without further ado, let the puzzle begin! Nov 11th, 2013 Last version: 1.1.4 Developer: Alex B The Ad-Hoc Flight Simulator is a game in which you have to train for a flight in an airplane, though it is great, very dangerous and you can destroy your plane, losing lots of fuel and money. The game is very difficult, but if you manage to get everything you have so far, you will be able to carry on with the training and gain 50000 credits, as well as improve your aircraft and save it from the damage. May 26th, 2013 The beta version is now online and available to download. It is an unfinished game, but if you want to participate in the beta, then you can do it here: During the mummification process, the Egyptians tried to preserve everything that could be preserved, so they wrapped the body in layers of linen (for example, shoes were wrapped in a fresh linen linng. In her lifetime, Jodie was known as the girl with the affliction. She was born with a strange, inexplicable connection to a supernatural being named Aiden. When she was born, she was created from a mixture of Aiden's DNA and her own, an act prohibited by the Covenant. To the people of her village and the doctors who struggled to help her, Jodie was born with no soul. But to others, like Peter, she was extraordinary. Others, like Aiden, were bound for a far different fate. The dead were said to walk the earth... Set in the supernatural, post-apocalyptic city of City 17 in 2056, *Beyond: Two Souls* is a psychological thriller and coming of age story that uses a unique movement mechanic to explore the heights of human experience. The game features an emotional performance capture system that captures the physical and emotional performance of renowned actors Willem Dafoe and Ellen Page to bring a new level of authenticity and character development to the narrative-driven game. Jodie, a girl born with a link to a supernatural entity, has a connection to another person - a being that was created from DNA and human tissue. When Jodie encounters this entity in her life, she is forced to question her own humanity and the very nature of the universe. Jodie is the girl born with a strange, inexplicable connection to a supernatural being named Aiden. By playing as both Jodie and Aiden, you will face spectacular physical and psychological challenges to understand what truly lies beyond the door. Create an action-packed story through your choices and actions as you live Jodie's life - a girl born with a link to a supernatural entity. The original DLC mission from the PlayStation™ releases is included in the full PC game. The entire game is playable in two difficulty modes, and in Solo or Duo mode. Game Features:

- An emotional, cinematic narrative experience
- First-person exploration of the mind
- A unique 'Character Link' movement mechanic allows players to explore the game as a prequel to Jodie's life, with a story told through contextual choices, and through the actions and dialogue of both Jodie and Aiden
- The ability to create your own story using the choices you make throughout the game, shaping your experience of Jodie's life
- The ability to play the entire game in either Cinematic or Chronological order
