Claire Foy will soon be leaving the titular role of the Queen of England on the small screen. The 36-year-old actress will be leaving the role of the Queen of England on the small screen. The actress has been an incredible performer for many years and it's sad to see her leave the role for good. But since the Queen is still alive, she will continue to play the role for as long as she is able to play it. No one has confirmed whether she is done with her acting career or not. Claire Foy is known for portraying the role of Mary in the Hulu crime drama series 'The Handmaid's Tale. This is the actress's first

non-saga TV role since the show was launched. Her performance in 'The Handmaid's Tale' earned her a whopping four SAG-AFTRA awards. Her stellar performance in the role as "the strongest and oldest," gained more than just an award. Many fans had bonded with the actress through the show and were waiting to see her act again. The actress last appeared in a lead role in last year's 'The Great Hack' film. The film is based on the book 'The Great Hack: How the Truth Came out of the New Science of Journalism and Created a Revolution' and its significance is unmatched. The film stars Adam Driver, and it focuses on the presidential election in 2016. Claire Foy only had the role of the c6a93da74d
