creator nic pizzolatto was inspired to make his hbo series after reading a book called true detective: a novel, written by novelist stephen king. in the book, king "suggested that a man could go about uncovering a dark truth in his own way. he said it didn't have to be a detective or a cop or a profiler - just a man who knows where to look," pizzolatto said. each episode of true detective will be written and directed by pizzolatto, who will also serve as an executive producer. he wrote the first four episodes, and mcconaughey and harrelson will act as executive producers for season 3. fukunaga will remain an executive producer and helms the first two episodes. hbo announced the new season with a promotional video, in which mcconaughey and harrelson are seen deep in thought. in the video, the pair take a ride in a car, where they discuss both the series and the future of true detective itself. the first season of true detective debuted in 2014 and was well received by critics and viewers alike. a second season followed the next year and, though it got mixed reviews, was no disappointment. true detective will return with a fourth season, which is set to air in april 2019. [vulture] [guardian] the first season of true detective premiered in 2014 and was well received by critics and viewers alike. a second season followed the next year and, though it got mixed reviews, was no disappointment. true detective will return with a fourth season, which is set to air in april 2019.
